

**2<sup>nd</sup> Dauphine Workshop on Economic Theory**  
*“Recent Advances on the Role of Beliefs in Decision Theory”*

**Paris, November 24-25, 2011**  
**CALL FOR PAPER**

The department of **Economics of Université Paris-Dauphine**, jointly with **Paris School of Economics**, is organizing a workshop on November 24-25<sup>th</sup>. This year's theme is "Recent Advances on the Role of Beliefs in Decision Theory", the objective being a confrontation between different approaches on the role of beliefs in behaviors, including Decision theory, Neurosciences, Measurement and analysis of subjective expectations. Topics include:

- *Decision theory with ambiguity*
- *Analysis of the neural basis of awareness and decision-making*
- *Measurement and analysis of subjective expectations*
- *Beliefs aggregation*

The confirmed keynote speakers are:

- **Rafal Bogacz (U. Bristol),**
- **Jerome Busemeyer (U. Indiana Bloomington),**
- **Itzhak Gilboa (HEC-Paris and U. Tel Aviv),**
- **Charles Manski (Northwestern U.).**

In order to maximize the scientific interactions between researchers, there will be no parallel sessions so that a limited number of papers will be presented.

**Paper submission:**

Attendees who wish to give a talk are invited to submit a paper by **September 15, 2011** by e-mail to:  
[dauphine.econtheory@gmail.com](mailto:dauphine.econtheory@gmail.com)

Notice of acceptance will be given by **October 10, 2011** and the program will be posted on:

[http://leda.dauphine.fr/fr/poles/bdt\\_2011.html](http://leda.dauphine.fr/fr/poles/bdt_2011.html)

There is no registration fee. Depending on the available funds, financial support will be provided to participants for accommodation and/or transportation.

**Organization:**

The workshop will be held at Université Paris-Dauphine, located in Paris downtown.

Scientific Committee of the event: *Arnold Chassagnon*, (chair, U. Paris-Dauphine and Paris School of Economics), *Luc Arrondel* (CNRS, Paris School of Economics), *Milo Bianchi* (U. Paris-Dauphine), *Juan Carillo* (U. of Southern California), *Stephen Fleming* (U. College London), *Elyès Jouini* (U. Paris-Dauphine), *Jean-Philippe Lefort* (U. Paris-Dauphine), *Clotilde Napp* (U. Paris-Dauphine), *Jean-Christophe Vergraud* (CNRS, U. Paris 1), *Yannick Viossat* (U. Paris-Dauphine).
